3 Carnivals Meet 4th -9th November 2010

This meet is only open to current members of The Camping & Caravanning Club.

The meet is taking place at Beech Tree Farm, Burdenham, Weston Zoyland, Bridgwater, TA7 0JB, Somerset, it is in the Big Sites Book number 182/54, MR 182/369346. This is a minimum facility site, so you will need your own toilet facilities; there is water and a chemical toilet disposal point, there are no hook-ups available. There are some hard-standings available which we intend to keep for motor caravans, but if you use these you will be unable to use an awning or toilet tent. The field we are using has a hard road in and normally gives a firm pitch for your unit. The camping fee is £5.00 per unit night, **booking is advisable**; please use the attached booking form, sending a £5.00 deposit and an SAE for your booking receipt.

If you camp for the entire meet you will be able to see the first three of the Famous North Somerset Illuminated Carnivals, each of these has up to 100 illuminated floats and the processions take up to 2 hours to pass. The carnivals start at approximately 7.00pm and as you have to drive to all of them you will need to leave the site by about 5.00pm because of traffic and road closures.

The Carnivals you will see are,

Friday 5th November-Bridgwater. (Approximately 4 miles from the site)

Saturday 6th November-North Petherton. (Approximately 7 miles from the site)

Monday 8th November-Burnham on Sea. (Approximately 14 miles from the site)

Fireworks, Thursday 4th November-at Bridgwater, St Mathew's Field.

Sunday 7th November-at Burnham on Sea, Seafront.

There is normally a full programme of other entertainment put on in the area during this weekend.

There are a large number of Tourist Attractions within easy travelling distance, Wells Cathedral, Cheddar Gorge, Wookey Hole Caves, Bath, Bristol, Clarks Village, and the North Somerset Coast.
